

Stations that have a "Tourists / Overseas visitors friendly ticket vending machine" where you can get your ticket using a QR code

The stations indicated on the map below in yellow boxes have a "Tourists/Overseas visitors friendly ticket vending machine" where you can get your ticket using a QR code. Also, you can get it issued at any of Tokyo Metro's station offices, which are indicated on the map below in boxes.

In case your first ride on Tokyo Metro or Toei Subway starts at a station where it is not possible to get your ticket using a QR code at a ticket vending machine or station office, please inquire to the station staff and they will give you guidance on how to get to a station where you can get your ticket.

◆ Note : The Tokyo Metro station office at Kita-senju station is located near the Chiyoda line. At Shibuya station, it is located near the Ginza line.
